On behalf of Liberty Mutual Insurance and our 55,000 employees around the world, welcome to the 2014 Boston Pops Fireworks Spectacular.

As we celebrate the adoption of the Declaration of Independence on this date 238 years ago, we also remember that it was first read aloud to Bostonians just a few blocks from here at the Old State House.

Tonight, Keith Lockhart and the Boston Pops Esplanade Orchestra provide the soundtrack for a beautiful night of celebration and appreciation for our country, our forefathers, our way of life and our freedom. With “the rockets’ red glare” over the Charles River culminating the evening, we are proud to join you in one of Boston’s greatest traditions commemorating one of America’s finest moments.

Enjoy the show!

Sing Along

America

My country 'tis of thee,
sweet land of liberty, Of thee I sing.
Land where my fathers died!
Land of the Pilgrim's pride!
From ev'ry mountain side,
Let freedom ring!

America the Beautiful

O beautiful for spacious skies,
For amber waves of grain.
For purple mountain majesties,
above the fruited plain.
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

Yankee Doodle

Oh! Yankee Doodle came to town
a-ridin' on a pony
He stuck a feather in his hat and called
it macaroni.
Yankee Doodle keep it up,
Yankee Doodle dandy.
Mind the music and the step and with
the girls be handy.

The Yankee Doodle Boy

I'm a Yankee Doodle dandy,
a Yankee Doodle do or die.
A real live nephew of my Uncle Sam,
Born on the Fourth of July.
I've got a Yankee Doodle sweetheart,
she's my Yankee Doodle joy.
Yankee Doodle came to town,
a-ridin' on a pony,
I am a Yankee Doodle boy.

You're A Grand Old Flag

You're a grand old flag,
you're a high flying flag.
And forever in peace may you wave;
You're the emblem of the land I love,
The home of the free and the brave.
Ev'ry heart beats true,
Under red, white, and blue,
Where there's never a boast or brag;
But should old acquaintance be forgot,
Keep your eye on the grand old flag.

God Bless America

God bless America, land that I love.
Stand beside her and guide her
Through the night with
the light from above.
From the mountains, to the prairies,
To the oceans, white with foam.
God bless America,
my home sweet home.
God bless America,
my home sweet home.

Keith Lockhart

Keith Lockhart became the 20th conductor of the Boston Pops in 1995, adding his artistic vision to the Pops tradition established by his predecessors John Williams and Arthur Fiedler. Mr. Lockhart holds the Julian and Eunice Cohen Boston Pops Conductor chair. He has worked with a wide array of established artists from virtually every corner of the entertainment world, while also promoting programs that focus on talented young musicians from the Tanglewood Music Center, Boston Conservatory, and Berklee College of Music. During his 20-year tenure, he has conducted more than 1,600 Boston Pops concerts and introduced the innovative JazzFest and EdgeFest series, featuring prominent jazz and indie artists performing with the Pops. Mr. Lockhart has also introduced concert performances of full-length Broadway shows, including Rodgers and Hammerstein's *Carousel* and Stephen Sondheim's *A Little Night Music*, and the PopSearch and High School Sing-Off competitions. Keith Lockhart currently serves as principal conductor of the BBC Concert Orchestra in London, which he led in the June 2012 Diamond Jubilee Concert for Queen Elizabeth II, and as artistic director of the Brevard Music Center summer institute and festival in North Carolina. Stars & Stripes

Cannons

The 101st Field Artillery Regiment consists of 350 men and women from the 1st Battalion, 101st Field Artillery based in Brockton, MA. It's currently the oldest field artillery unit in the United States and in Massachusetts. In 2011, the unit was deployed to Kabul, Afghanistan in support of Operation Enduring Freedom, training and mentoring elements of the Afghan Army and Afghan National Police. The Alpha Battery 101st Field Artillery Second Corps Cadets is based in Danvers, MA and Fall River, MA. Alpha Battery Commander Captain Joseph Blume supervises the 101st Field Artillery. The 101st Field Artillery fires the cannon blasts live during the end of Tchaikovsky's "1812 Overture."

Honor Guard

The honor guard this year consists of four sailors from the USS Constitution in traditional uniforms dating back to 1813. The sailors will carry two cutlasses or swords, which were common Naval weapons used by sailors back in the 19th century, as well as the Navy and United States flags. The honor guard will present the colors during the singing of our national anthem, "The Star-Spangled Banner."

The Performers

Megan Hilty

Megan Hilty recently starred alongside Sean Hayes in NBC's comedy "Sean Saves the World." Prior to that, she portrayed the seasoned triple-threat Ivy Lynn in NBC's musical drama "Smash" for two seasons. In March 2013, Hilty released her debut solo album, "It Happens All The Time," which includes fresh interpretations of compositions by contemporary songwriters and producers.

She previously starred as Lorelei Lee in the Encores! production of "Gentlemen Prefer Blondes," to which she earned rave reviews. Megan has recorded vocals for Disney's Tinker Bell series, "The Secret of the Magic Gourd," "Phineas & Ferb," "Glenn Martin, DDS," "American Dad!" "Robot & Monster," "Shrek the Third," and the newly released "Legends of Oz."

Megan made her Broadway debut as Glinda in "Wicked" and went on to perform the role in the national tour and in Los Angeles. Megan was honored with nominations from the Drama Desk, Outer Critics, Drama League and L.A. Stage Alliance Ovation Awards for her portrayal of Doralee Rhodes in "9 to 5: The Musical."

Megan has performed with the New York Pops, National Symphony Orchestra, Boston Pops, Cincinnati Symphony, Houston Symphony, and Phoenix Symphony, and has appeared in the July 4th and Memorial Day PBS live telecasts as well as Christmas in Washington on TNT. She continues to tour the country with her critically acclaimed solo show.

Television credits include: "Melissa & Joey," "Bones," "The Closer," "Desperate Housewives," "CSI," "Shark," "Ugly Betty," and "Eli Stone."

The Beach Boys

You can capsulize most pop music acts by reciting how many hits they've had and how many millions of albums they've sold. But these conventional measurements fall short when you're assessing the impact of The Beach Boys. To be sure, this band has birthed a torrent of hit singles and sold albums by the tens of millions. But its greater significance lies in the fact that it changed the musical landscape so profoundly that every pop act since has been in its debt. Had this remarkable band been less committed to its art and its fans, it could have retired from the field with honor at dozens of points along the way, confident that it had made a lasting contribution to world culture. It could have rested on the success of the epochshifting *Pet Sounds* masterpiece in 1966...or after recording Love's co-written Golden Globe nominated "Kokomo" in 1988 and seeing it become its best selling single ever...or after being inducted that same year into the Rock & Roll Hall of Fame...or after watching its worldwide album sales blow past 100 million...or after 33 RIAA certified Platinum and Gold albums...And still, The Beach Boys continue to have fun, fun, fun, with no end in sight.

Happily for us all, The Beach Boys continue to create and perform with the same bold imagination and style that marked their explosive debut over 50 years ago. The band plays an astoundingly busy schedule of concerts, averaging over 125 shows a year, ranging from sun drenched summer festivals to gala New Year's celebrations and special events worldwide. In 2001, the band was honored with a Lifetime Achievement Award at the Grammy Awards. In 2013, their Capitol Records release, *Sounds of Summer* (RIAA certified triple platinum with over three million in sales and climbing), and its companion *The Warmth of the Sun* marked a resurgence in Beach Boys interest that has again rocked the world.

In addition to founding Beach Boy Mike Love (lead vocals) and Beach Boy-vet Bruce Johnston (vocals/keyboards)—Scott Totten (guitar/vocals), John Cowsill of The Cowsills (percussion /vocals), Tim Bonhomme (keyboards/vocals), Randell Kirsch (bass/vocals) and Jeffrey Foskett (guitar/vocals) round out the band.

The Boston's Children Chorus

The Boston Children's Chorus is a creative social integration organization that unites area children ages 7-18 across differences of race, religion and socioeconomic status. The Chorus helps children discover the power of singing and transcend social barriers in a celebration of shared humanity and love of music. Its focus is not on one specific community, but the energy of the intersection of all communities. BCC bridges Greater Boston's many diverse groups and fosters a sense of belonging and inclusion. Through intensive choral training and once-in-a-lifetime performing experiences locally, nationally and around the world, BCC enhances the education and social development of youth as future leaders and global citizens in the 21st century. For more information, visit www.bostonchildrenschorus.org.

The Spectacular New Production of *The Phantom of the Opera*

The two lead principals from the spectacular new production of *The Phantom of the Opera* will perform at this year's Boston Pops Fireworks Spectacular celebration. Julia Udine, who plays Christine Daaé, is making her touring debut with this new production of *Phantom*. Originally from Southern New Jersey, Udine studied with a vocal coach and received ballet training and both instructors gave her the inspiration and courage to pursue her dreams. Her other theater credits include: *Jack's Back* (Jenny), *West Side Story* (Maria). TV: *Law and Order SVU*, *All My Children*.

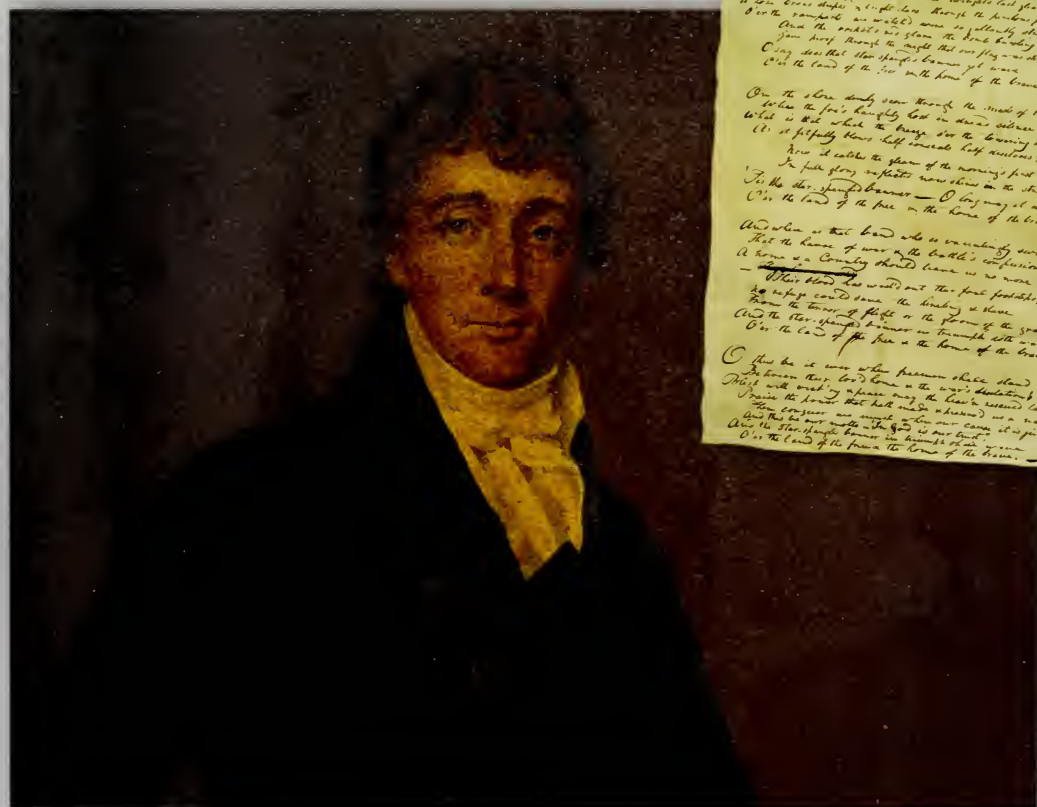

Ben Jacoby who plays, Raoul, Vicomte de Chagny has called Chicago his home for the past year and comes to *Phantom* directly from the Chicago-area Marriott Theatre. Regionally, Jacoby has appeared at the Milwaukee Repertory Theatre, Maine State Music Theatre and in several productions at the Utah Shakespeare Festival. He holds undergraduate degrees in English Literature and Theatre from Denison University and an MFA in Acting from UC Irvine.

The Phantom of the Opera is now playing at the beautiful Boston Opera House through July 20th. For more information visit: <http://boston.broadway.com>

The 200th Anniversary of the Star-Spangled Banner

This year marks the 200th anniversary of "The Star-Spangled Banner," written by Francis Scott Key. Key was an attorney in Baltimore and a gifted amateur poet. While aboard a British troopship, anchored approximately four miles away, and in the process of negotiating the release of an American civilian imprisoned by the British, Key witnessed the 25-hour bombardment of Baltimore's Fort M'Henry. The morning after, on September 14, 1814, U.S. soldiers at Fort M'Henry raised a large American flag to celebrate the crucial victory over British forces during the War of 1812. So inspired by the "broad stripes and bright stars" of the flag as it waved high above, Key began scribbling the initial verse of his song on the back of a letter. Back in Baltimore, Key completed four additional verses. A local printer then issued the new song as a poster or broadside as it was called in the early 1800's. Shortly after that, two Baltimore newspapers published the lyrics, and by mid-October it had appeared in at least 17 other newspapers in cities up and down the East Coast. Over the years "The Star-Spangled Banner" became one of America's most popular and patriotic songs; however, it did not become our National Anthem until 1931. Key's words that day shed a new light on a national symbol in our country: the American Flag, which was not just an emblem of the nation, but a representation of our country's values and the ideals for which it stands.

Fireworks

Fireworks create a celebratory feel on July 4th. This year Atlas PyroVision Productions, a New England-based company, has brought back their amazing pyrotechnics for the DCR Hatch Shell stage and has also created an exciting main fireworks display sure to light up the sky over the Charles River. Pyrotechnics music supervisor, Don Dorsey, spent several months putting together a fun and patriotic soundtrack that will sync beautifully to the illuminating pyrotechnics.

"Atlas Pyrovision is happy to be back at The Boston Pops Fireworks Spectacular for another year! Each year we continually challenge ourselves to add fresh new ideas and I feel that Boston will enjoy some of the new artistic features we have included in the design. This will be the second year that pyrotechnics will be shot off the Mass Ave. Bridge as part of the overall fireworks display and our 'Atlas Mini-Barges' will also be back, adding depth to the entire fireworks show."

In Memoriam

Richard J. Savickas (1942-2014)

Richard "Richie" Savickas was part of the Boston Pops Fireworks Spectacular family for 40 years. Up until 2001, he was employed by the Metropolitan District Commission, now DCR, and was the Hatch Shell manager for a number of years.

His passion for this event was so strong that after he retired in 2001, he decided he could not stay away and joined the Boston 4 Productions team as a volunteer. The Hatch Shell and those who attended the various events held at this landmark were Richie's life. Wherever Richie was he brought smiles and happiness to those around him. He will be missed.

ABOUT BOSTON 4 PRODUCTIONS

Boston 4 Productions (B4) is the production arm of Boston 4 Celebrations Foundation, a non-profit 501(c)3 organization. Our mission is producing large-scale, free community events in and around the City of Boston and in the New England area.

B4's flagship event every year is the Boston Pops Fireworks Spectacular. The first July 4th event was founded in 1974 by David Mugar and then Boston Pops Conductor Arthur Fiedler. In May 2014, members of the B4 organization received the prestigious Massachusetts State Police Public Service Award for their dedication to the Commonwealth of Massachusetts. Mugar received the Distinguished Service Award from the Massachusetts State Police. Also in May 2014, the event won an Emmy Award for Outstanding Special Event Coverage presented by the National Academy of Television Arts & Sciences Boston/New England.

The organization is also a part of the community in many other public events. B4 produces Boston's Family Fireworks display on New Year's Eve on the Boston Common, presented by The Mugar Foundation. In its 15th year, this New Year's Eve display has become a special celebration and tradition for the city. In addition B4 has been involved with the millennial celebration for the City of Boston, Cape Cod Canal's upcoming Centennial celebration, and many other community events throughout its history.
